

1. My name is Brilliant Ntandoyenkosi Sithole born and bred in Zimbabwe Bulawayo

I was born on the 19th day of September 1997

I did my primary level at Ingwegwe Primary School then I went on to do my secondary level at Pumula High School. I loved singing when I was a little boy as I was and still part of the praise and worship member at my church until I found out that I can take that as a career and I wanted to sort of grow in terms of making music so I joined the arts industry professionally at the age of 19 and that was in 2016.

I was groomed and taken in by a well-known and long-existing group in Bulawayo called Sunduza Dance Theatre which specialises in music, dance and theatre by that time I didn't know anything about dance or theatre but I was taught how to do so and am still learning.

So from then as Sunduza we have been to many places locally and internationally, since I joined. So after I had learnt some theatrical skills from Sunduza Dance Theatre I applied for community awards called Pumula Royal Arts and Community Awards in 2021 (PRACA) for outstanding theatre actor category I got nominated and I got the award as well.

I have also been a backing vocalist for some solo artists in Zimbabwe such as Charles "Mahlaba" Banda, Nomore "Maluka" Sibanda just to mention a few.

I featured on Mahlaba's newly launched album titled Imizwa in November 2023.

Again in 2023 I was asked by a certain group in Bulawayo called Ezimnyama Dance Ensemble to assist in music and dance since they were looking for someone who can sing and dance and my choreographer from Sunduza Dance Theatre Mkhululi Khanye recommended me, Ezimnyama Dance Ensemble was having a tour in Europe specifically France, Spain and Switzerland we went and stayed there for a month then we came back, the tour was indeed a success.
